

ELDEN A. LICHTY ENDOWED SCHOLARSHIP

The amount of each scholarship will be determined by the amount of interest earned. The minimum award is \$500.

Family and friends created the Elden A. Lichy Scholarship fund at the time of Dr. Lichy's death on September 17, 1987. Dr. Lichy came to ISU as a principal of Thomas Metcalf Laboratory School in 1945. Two years later, he became a member of the Department of Education at ISNU. He was one of seven members on a national committee on the junior college level which drew up the model plan for Illinois prior to 1965. The plan served as a model for junior college legislation in many other states across the U.S.

To be eligible for this award, students must:

- Be a graduate student admitted either to the master's or doctoral program in the Department of Educational Administration and Foundations
- Demonstrate interest in community college administration and/or teaching, or who are admitted to the master's or doctoral degree program in an academic field with a professed interest in teaching at a community college
- Have taken EAF 473, a course in their major field with an emphasis on teaching in a community college, or have acquired previous teaching experience at a community college
- Demonstrate financial need
- Have a proven record of academic success in graduate work
- Show a specific interest in employment at a community college
