

HUBBARD-HICKROD ENDOWED SCHOLARSHIP

The amount of each scholarship will be determined by the amount of interest earned, but the minimum award is \$500.

The purpose of this scholarship is to assist students who are seeking a career as professors of educational administration, particularly those interested in teaching and researching K-12 school finance. This scholarship honors Dr. Benjamin Hubbard and Dr. Alan Hickrod, distinguished professors emeritus whose careers were dedicated to improving financial resources for Illinois schools and all the children they serve.

To be eligible for this award, students must:

- Be full-time graduate students majoring in educational administration
- Have a doctoral dissertation proposed and/or accepted in the area of P-20 educational finance
- Have a GPA of 3.5 or higher in graduate coursework at Illinois State University

Under special circumstances (determined by the chair of EAF) the scholarship may be awarded to support post-doctoral research in educational finance
